AZ CORP COMMISSION
DOCKET CONTROL

Arizona Corporation Commission

DOCKETED

AUG 2 2011

DOCKETED BY

IN THE MATTER OF THE APPLICATION OF
TERRACOM, INC. FOR DESIGNATION AS AN
ELIGIBLE TELECOMMUNICATIONS CARRIER
ON A WIRELESS BASIS (LOW INCOME ONLY).

DOCKET NO. T-20802A-11-0174

PROCEDURAL ORDER

BY THE COMMISSION:

On April 22, 2011, TerraCom, Inc. ("TerraCom") filed with the Arizona Corporation Commission ("Commission") an Application for Designation as an Eligible Telecommunications Carrier on a Wireless Basis (Low Income Only), pursuant to 47 U.S.C. § 214(e) and 47 CFR §§ 54.101 through 54.207 ("Application"). In its Application, TerraCom stated that it desires to be designated as an Eligible Telecommunications Carrier ("ETC") throughout the CenturyLink/Qwest and Frontier service territories ("service area") for the purpose of receiving Federal Universal Service Fund ("FUSF") support for wireless services; that it intends to provide competitive wireless services through a combination of its own facilities and resold services and to provide universal service as an ETC in its entire service area; and that it does not currently seek designation as an ETC on a wireline basis. TerraCom further stated that it requests ETC status solely for the purpose of providing services supported by the Low Income Programs of the FUSF, specifically Lifeline and Link-Up services.

On July 12, 2011, TerraCom filed a revised Exhibit A to its Application, which is a list of exchanges in its requested service area.

On July 12, 2011, the Arizona Local Exchange Carriers Association ("ALECA") filed a Motion to Intervene in this docket, stating that it is comprised of small telephone companies and member-owned cooperatives, all of which are "rural telephone companies" as defined in 47 U.S.C. § 153; all of which provide local exchange telecommunications services to customers in rural, high cost areas of Arizona; and all of which receive support from the FUSF. ALECA states that it is concerned that TerraCom's designation as an ETC may unfairly cause duplication of the offerings of ALECA's

members, may endanger FUSF compensation for ALECA's members, and may undermine public support for the Federal Communications Commission's ("FCC's") universal service programs.

No party has filed an objection to ALECA's requested intervention.

As no objections have been filed to ALECA's Motion to Intervene, it is reasonable and appropriate to grant ALECA intervention.

IT IS THEREFORE ORDERED that **Arizona Local Exchange Carriers Association** is hereby granted intervention in this matter.

DATED this 2nd day of August, 2011.

SARAH N. HARPRING
ADMINISTRATIVE LAW JUDGE
